Presented by Lindsay Hill, RE/MAX Ultimate Professionals · 815-546-5625

A lodge, a commercial kitchen and a built outdoor venue on 26.10 acres (per listing).

Built in 2009 as a destination for gathering, 8595 US Highway 51 pairs a timber-and-stone great hall and a working commercial kitchen with something rarer: a terraced lawn that steps down to a covered stage above a pond. Every figure in this presentation carries its source and date; anything not yet verified is shown as open.

THE BUILDING

Post-frame lodge: great hall with loft and a stone fireplace, bar, second dining room with its own stone fireplace and service bar, commercial kitchen and back-of-house, restrooms and an enclosed porch with glass overhead doors. 4,228 sq ft of interior floor (per floor plan).

THE OFFERING

Offered at \$749,000 · MLS 12654129 · Active, re-verified October 1, 2026. Listing type: commercial (hospitality / retail). Listed by Lindsay Hill, RE/MAX Ultimate Professionals.

THE GROUNDS

Terraced-lawn amphitheater with covered stage, a pond, three levels of decks, a paver patio with pergola, a bocce court and fire-pit courtyard, and a 1,200 sq ft pole-frame building. 26.10 acres per listing.

What sets 8595 US Highway 51 apart.

01 A lodge built for gatherings

A 40'9" x 30'5" great hall under a cathedral pine ceiling, ringed by an iron-railed loft, with a stone fireplace at one end and a stone-fronted bar at the other.

02 An amphitheater cut into the hill

Mown terraces step from the decks down to a covered stage, with the pond as the backdrop.

03 A working commercial kitchen

Hood line with range and convection ovens, refrigerated prep, three-compartment sinks, commercial dishwasher and a walk-in cooler — the infrastructure every food-led concept needs on day one.

04 A wall that opens

The 468 sq ft enclosed porch has glass overhead doors along two sides. Down, it is a three-season room; up, it is part of the deck.

05 Three levels of outdoor room

Covered upper deck, wraparound main deck and a lower paver patio with fire pit and pergola, all facing the lawn and water.

06 Highway frontage, rural setting

Direct access from US 51 (5,800 vehicles a day, IDOT 2025) on acreage inside the Shawnee Hills, with Giant City State Park and the wine trail as neighbors.

Eight rooms under one roof: 4,228 sq ft (per floor plan).

First floor, dimensioned floor plan (June 8, 2026).

Loft (second floor), open to the great hall below. Drawn at a larger scale than the first floor.

PLAN TOTALS
